## WASHOE COUNTY ANNOUNCEMENTS

**R. M. Preston**

LEGISLATIVE ASSEMBLY

**J. M. Frame, Well-Known Socialist,  
Declares for President Wilson**

J. M. Frame, prominent attorney of Reno and member for many years of the Socialist party, by which he has been honored on more than one occasion, is out for President Wilson and the Democratic ticket. Mr. Frame was nominated at the recent Socialist convention for district attorney of Washoe county, but for the reasons which he states in the following letter he has handed in his resignation to the secretary of the organization:

Reno, Nevada, Oct. 6, 1916.  
Secretary of Washoe County Socialist Campaign Committee, Reno Nevada.

Dear Sir—This is to inform you that I have this day notified the County Clerk of this county that I am not a candidate for public office at the hands of the voters of this state in the general election to be held on the 7th day of November, 1916, and have requested him to keep my name off of the official ballot. Inasmuch as your organization, without my permission or consent, placed my name upon the ticket as nominee of your party for the office of district attorney of this county, I deem it due to you to furnish you with this information.

I have been for the past four years a careful observer of the many administrative acts of President Wilson and have watched his course upon the more important features of the legislative policy of his administration. I find nothing in his conduct which to my mind justifies any person in my situation in life withholding from him his hearty support at this time when with concerted effort the exponents of special privilege are clamoring for his defeat and using unconscionable methods to effect the result, even to the extent of willful misrepresentation.

In justice to your organization, for which I entertain only the most profound respect, and in justice to myself and my views upon the policies advocated by Mr. Wilson, I deem it not only prudent but incumbent upon me to inform you that I cannot, in view of my expressed sentiments, accept at the hands of your organization any nomination for any political office.

I make this announcement to you only after careful and painstaking observations of the many policies advocated by the President, which meet with my hearty and absolute approval, and with the firm belief that the present administration should be continued in office to carry out the many beneficial policies which for lack of time in which to accomplish them have been left undone.

I take this opportunity of informing you that in view of what I have heretofore said in this regard, I shall be compelled by my sense of fairness and duty in this matter, to extend

**Middle West Is  
Sure for Wilson**

COLUMBUS, O., Oct. 18.—Senator Ollie James, who has been speaking in the middle west, yesterday sent the following telegram to President Wilson at Asbury Park:

"Have been speaking through the west. Never saw anything like the tide to Wilson. He is a certain winner."

"I believe Ohio will give him 100,000 majority. Kansas, Iowa, Nebraska, Illinois and Indiana are on fire with Wilson enthusiasm."

"Hughes is licked. Wilson is a certainty."

## THE NEWEST REMEDY

FOR  
Backache, Rheumatism and Dropsy.

Kidney, Bladder and Uric Acid troubles bring misery to many. When the kidneys are weak or diseased, these natural filters do not cleanse the blood sufficiently, and the poisons are carried to all parts of the body. There follow depression, aches and pains, heaviness, drowsiness, irritability, headaches, chilliness and rheumatism. In some people there are sharp pains in the back and joints, distressing bladder disorders and sometimes obstinate dropsy. The uric acid sometimes forms into gravel or kidney stones. When the uric acid affects the muscles and joints, it causes lumbago, rheumatism, gout or sciatica. This is the time to try "Anuric."

During digestion uric acid is absorbed into the system from meat eaten, and even from some vegetables. The poor kidneys get tired and backache begins. This is a good time to take "Anuric," the new discovery of Dr. Pierce for Kidney trouble and Backache. Neglected kidney trouble is responsible for many deaths, and Insurance Company examining doctors always test the water of an applicant before a policy will be issued. Have you ever set aside a bottle of water for twenty-four hours? A heavy sediment or settling sometimes indicates kidney trouble. The true nature and character of diseases, especially those of the kidneys and urinary organs, can often be determined by a careful chemical analysis and microscopic examination. This is done by expert chemists of the Medical Staff of the Invalids' Hotel. If you wish to know your condition send a sample of your water to Doctor Pierce's Invalids' Hotel, Buffalo, N. Y., and describe your symptoms. It will be examined without any expense to you, and Doctor Pierce or his Staff of Assisting Physicians will inform you truthfully.

KNOW THYSELF!  
Read all about yourself, your system, physiology, anatomy, hygiene, simple home cures, etc., in the "Common Sense Medical Adviser," a book of 1008 pages. Send to Dr. V. M. Pierce, Buffalo, N. Y., three dimes or thirty cents in one-cent stamps for a cloth-bound copy.
